

Skill Recorder Evaluation — 3-arm Cold / Oracle / Human

10 个 WebArena shopping_admin 任务, Claude Code CLI 驱动, seed 0, sonnet 4.6

报告日期	2026-05-26
Runs	Cold 20260525T084638Z · Oracle 20260526T040953Z · Human 20260526T100849Z
Benchmark	WebArena shopping_admin only (单服务 MVP scope)
Arms tested	cold · oracle · human
Seeds	0 (single seed; Wilson CI is wide — see below)

Executive Summary

Cold 60.0% → **Human** 66.7% → **Oracle** 100.0%. Human (raw CRX recording) sits between cold (no skill) and oracle (hand-authored ideal demonstration), and the gap human→oracle quantifies what Skill Recorder loses to the renderer's current limitations on elements is structurally guaranteed to fail under the current CRX renderer (browse fill doesn't apply to)
